

Supplier Awards 2019

The relationship between Newport Wafer Fab Ltd and our Suppliers is very important to us and in order to recognise outstanding contributions from our Suppliers towards our success, NWF introduced Supplier of the Year Awards in 2018 and have continued this in 2019. The winners of the categories for 2019 were:

Best Service Provider 2019 – SPTS Technologies Limited

Best Direct Material Provider 2019 – Praxair Electronics Logistics

Green Supplier 2019 - Siltronic Corporation

The awards were presented to Kevin Crofton, CEO of SPTS Technologies Limited and Gene Lewis, TSM Account Manager, Praxair Electronics Logistics by Dr Paul James, Managing Director at the Newport Site.

The award to Siltronic Corporation was received by Helmut SEXTL, Regional Director Sales at their Manufacturing Facility in Berghausen, Germany.
